

Welcome to our office!

We hope your child's visit to our office will be a positive one! We promise to do our very best to make it so.

Your child's first visit will be designed to get him/her acquainted and feeling comfortable with us. At this time we will take any needed x-ray's & examine his/her teeth. Soft tissues of the mouth & do an orthodontic screening. If there is anything you would like to call to our attention during the exam. Please don't hesitate to tell us.

After the exam we will review the x-rays and any dental needs we have diagnosed. A treatment plan detailing what will be done and how many appointments will be needed will be presented. At this time our treatment coordinator will discuss with you the fees for treatment. Payment is due in full at time of treatment, unless prior arrangements have been approved. As a courtesy, if you have dental insurance. We will submit the Dental Claim .

Thank you for choosing our office. We look forward to meeting you & providing the safest and very best dental care we can.

Happy smiles!
